GENE PETERSON EARNS NAFI MASTER INSTRUCTOR ACCREDITATION

KALAMAZOO, MI — 9/23/2023 The National Association of Flight Instructors is proud to announce that NAFI member Gene Peterson has earned accreditation as a NAFI Master Flight Instructor. This is Peterson's third NAFI Master Accreditation.

At age 69 and more than 41,000 hours of flying, Peterson continues instructing and flying charter for a Part 135 business doing organ transplant work. His wife is a flight attendant, two of his sons are pilots with Delta, and the third holds a private pilot certificate and is a First Lieutenant in the U.S. Air Force.

*The **NAFI Master Flight Instructor Accreditation** is earned by aviation educators based upon a system of advanced professional standards and peer review. The accreditation identifies and publicly recognizes those teachers of flight who demonstrate an ongoing commitment to excellence, professional growth, and service to the aviation community. The NAFI Master Instructor accreditation is for two years and may be used to renew an FAA flight instructor certificate. Applicants must have been a CFI for two years and have given 1,000 hours of flight instruction. In addition, candidates must meet and document activity in four NAFI Master Instructor categories (Instructor, Educator, Service to the Aviation Community, and Professional Activity).*

*Members of the **National Association of Flight Instructors** work as independent instructors, at flight schools, universities, FBOs, corporate flight departments and in the military. Since 1967, NAFI and its members, who teach in thirty countries, are dedicated to increasing and maintaining the professionalism of flight instruction. NAFI members influence active pilots daily: students working to become pilots, current pilots training to advance their skills with new ratings or certificates and pilots who seek to improve their skills with recurrent training. NAFI also serves as an advocate with industry and government as a voice for flight*
